

The background of the poster is a stylized autumn landscape. It features rolling green hills under a bright sun with rays. Numerous trees with vibrant red, orange, and yellow leaves are scattered across the scene. In the foreground and middle ground, there are many white silhouettes of people of various ages and shapes, some standing alone and others in groups, suggesting a community or a gathering. The overall atmosphere is warm and contemplative.

IDENTITÉ ET APPARTENANCES

Quelle place du Psy
dans un monde
en mutation ?

28 ET 29 NOVEMBRE 2014
